Delaney was appointed overseer of the poor, subject to the approval of the board of aldermen, and Dr. Oliver N. Eastman was appoints ed city physician, subject to the some approval appointed keeper of the almshouse. The poard of charities organized by electing Dr. Wheeler president and Dr. Joseph E. LaRocque, the new member of the bo ecretary. The board voted to send to the finance committee an estimate of \$15,000 for the care of the poor during the ensuing year.

The appointment of Mr. Delaney and Dr. Eastman was in accordance with a resolution passed by the board of charbent of the office of overseer of the poor, and that the next city physician be a member of the faculty. college. It is probable that these two appointments will be confirmed by the board of aldermen.
